

**A RESOLUTION AMENDING THE ST. CLAIR COUNTY COMMISSION
OPERATIONAL POLICIES
Resolution 2020-12**

RECITALS:

WHEREAS, the County Commission (the "Commission") for St. Clair County, Alabama (the "County") has adopted the St. Clair County Commission Operational Policies (the "Policies") to assist in the operations of the County; and

WHEREAS, it becomes necessary from time to time to update and amend the Policies to more effectively and efficiently operate County Government for the benefit of the citizens; and

WHEREAS, the Commission owns and operates an extensive information technology network with computers, servers, non-public information, etc. (the "IT Network") incorporated and located thereon; and

WHEREAS, the Commission has contracted with a certain vendor to provide periodic (up to daily) cyber-security training for and to its employees for the purpose of protecting and securing the IT Network; and

WHEREAS, the employees must participate in the training for the security of the IT Network to be maximized.

NOW, THEREFORE, the following policy within the St. Clair County Commission Operational Policies is hereby amended as follows:

Section 1: That Policy # 61 is hereby adopted to state as follows:

IT Network Training:

Each and every employee of the Commission to whom cyber-security training is offered shall fully and completely participate in the same within the applicable time frame as set forth by any contracted vendor of the Commission offering said training so as to maximize the security of the IT Network.

ADOPTED and APPROVED this the 11 day of February, 2020.

St. Clair County, Alabama
