

IMPORTANT NOTICE:

Collection Day Changes

EFFECTIVE Monday May 4, 2026

To increase service quality, efficiency, and consistency, Meridian Waste is optimizing its Alabama residential solid waste collection route structure.

Your NEW Collection Day

Your new garbage collection day is *listed on the back of this postcard.*

EXPLOSION DANGER!

Lithium-ion batteries (the kind in cell phones, laptops, tablets, etc.) easily catch fire or explode when crushed, even if they're "dead"!

NEVER put them in the Trash OR Recycling.

LITHIUM BATTERIES

To learn more about your services, visit **[MeridianWaste.com/AL](https://www.MeridianWaste.com/AL)**

Your NEW Collection Day

We are optimizing our collection routes for greater efficiency, consistency, and improved fuel savings to benefit the natural environment, so you may have a new collection day.

Set Out Time: Place carts curbside the evening before OR no later than 6:00 a.m. on collection day.

Yard Waste Pick-Up: For those customers who receive yard waste as part of their plan, yard waste **WILL CHANGE** to the **SAME DAY** as your **NEW GARBAGE DAY**.

More Questions? Look up your local collection guidelines, hauling facility, and more at [MeridianWaste.com/AL](https://www.MeridianWaste.com/AL) or contact your Customer Care team at:
